

Petersgate Post—14th June 2024

Mrs Mitchell's 'Message of the Week'

Wow what a start to the half term!!! It has been a fun packed few weeks as we thunder along into the half term. Sports Day was a wonderful day and it was so lovely to see so many families coming to support their children and joining together on the field for our family picnic. There was a really lovely atmosphere around school. Our new Year R children have also come to visit us over this last week and their Ready Steady School events have officially begun. With lots of exciting things still to come, this promises to be a great end of the school year.

Attendance and Punctuality from 1st—14th June

Whole School Attendance: **96.01%** (*National Average: 94.3%*)

Best Attendance: **Lobster : 98.46%**Best Timekeepers: **Jellyfish, Turtle & Whale**

EAN

Health & Wellbeing Tip

With the European football championship around the corner and National Sports week is coming up, get out in your garden or in the local park and have a kick about. Physical exercise is really good for your physical health but your mental health and well-being. So this week, take a ball outside and have some fun. You could have a simple kick about with your friends or families, you could try to keep the ball in the air, practice your heading skills or try and make up your own game and share on Seesaw. The most important thing is to have some fun!!

Outside Learning Environment Development Update

We continue to work behind the scenes in developing our school grounds and outside curriculum. We have had some companies now come in and quote for various things to further develop our grounds. Plus, in some exciting news, our Chair of Governors Mrs Glover has managed to secure 3 separate grants. One is being used on a reading chair and the other two grants will be used to purchase plants, trees, shrubs and bushes to further develop different spaces outside. Thank you Mrs Glover!

Exciting news!

As part of our transition week, week commencing 1st July, the children will be voting to rename their class. All classes and rooms will have a woodland theme to tie in with our outdoor development and our beautiful grounds. More details to follow.

Wednesday 4th

School opens at 08:40 for Years 1 & 2

*details to follow

Wow! What an amazing time we all had at Sports Day last week. It was lovely to see the children supporting each other and the resilience of everyone. The children loved the picnic and celebrating all their achievements with you.

Thank you to all who attended and made the day so special!

Empathy Day

Empathy Day, last week, helped us to understand how to develop our empathy's power to create a better world. It shined a light on books' role in raising an empathy-educated generation. Empathy Day inspired children to learn more about empathy, have transformational experiences through stories, and to put empathy into action!

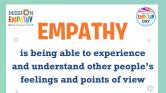

The day was themed around carefully chosen books, by a range of authors and we had a really fun day!

If you would like to find out more, then please visit the website: https://www.empathylab.uk/ to find our more.

Science Day

On **Wednesday 26th June**, we will be holding a whole school Science Day. Each year group will be completing a range of activities in school.

We would love the children to come dressed as a scientist, science theory or something that has been created by science.

着着着着着着着着着着着着着着着着

This could include; nurse, doctor, volcano, bug hunter, planet, astronaut, lightbulb, animal, dinosaur, battery (anything that has been created by science)! Please do not go out of your way to buy costumes, homemade will be brilliant. We understand that some children might not want to dress up, they are welcome to stay in uniform. They can bring in a book or science item if they do not wish to dress up.

Science challenge at home:

Use books, the internet or your grown-ups to help you learn about different scientists.

Can you create a poster or model to teach your friends about this Scientist? Bring them to your classroom on Science Day and share with your class.

If you have any questions, please come and see me. I look forward to seeing your costumes!

Nominate us at nationalbooktokens.com/schools-prize and you could win a £100 gift card!

Key Stats

Why it's important to understand how to enjoy water safely

ROYAL LIFE SAVING SOCIETYUK TO PACTS

312

UK and Irish citizens lose their lives to accidental drowning each year, on average.

83% of those that accidentally drown in the

UK are male.

19 people

drowned across 4 days in July 2022 as temperatures exceeded 38°C. 4.9% of accidental drownings occur between May and August.

59% of UK accidental drownings occur in inland waters, e.g.

rivers, lakes and

canals.

Alcohol and or drugs are a factor in 29% of all UK accidental drownings. In our analysis, 73% of drownings occurred in the absence of professional supervision, such as an RLSS UK qualified lifeguard.

2022 saw a 46% increase in the number of child drownings in the UK, compared to the 5-year average.

In our analysis of outdoor drownings in the UK, cold water shock was cited in 38% of cases.

44%

of those that lost their lives to accidental drowning in the UK never intended to be in the water.

Drowning is preventable.

We provide expert lifesaving education in the UK and Ireland, protecting families from the sudden and devastating impact of drowning.

Notes: UK drowning data taken from WMID (2018-2022). Irish data taken from Water Safety Ireland (2018-2022). These numbers do not include UK or Irish nationals drowning overseas. Inland and Toastaf splits are as follows: Inland refers to the following locations: canal/aqueduct, dry ground, drain-irvell, lake/loch/floogh, marrh, pond, quarry, reservoir, river, stream/distr.hburn. Coastal includes at sea, harbour/dock, coast/hore/beach, Locations excluded from this year as buth, pool (swimming) and water container. RES UK analysis of supervision based on n=240 cases of accidental drowning in the UK. RLSS UK analysis on cold-water shock based on n=32 cases of accidental drowning in the UK. RLSS UK analysis on cold-water shock based on n=32 cases of accidental drowning in outdoor water in the UK.

ALWAYS FOLLOW THE WATER SAFETY CODE

Whenever you are around water:

STAY TOGETHER When around water always go with friends or family. Swim at a lifeguarded venue.

In an emergency:

Enjoy Water Safely

Join the RLSS UK Make a Splash Challenge whilst fundraising to help people enjoy water safely.

Whether you are a keen swimmer in a local swimming pool, in open water or a paddleboarder, everyone can take part!

This is a fundraising challenge for RLSS UK, accumulating kilometres in water-based activities. No matter how long or short the distance achieved, we are grateful for every penny raised.

All funds raised will help to deliver national water safety campaigns and help enhance communities through

lifesaving courses and education.
